Environmental report

EPA-regulated facilities near any US address — Superfund, Toxic Release Inventory, hazardous waste, water discharge, air, and brownfield sites, from the EPA Facility Registry Service.

1600 Sample Way, Springfield, USA

3 EPA-regulated facilities within 2.0 miles

Hazardous waste (RCRA): 2

Air emissions: 1

FACILITY	PROGRAMS	DISTANCE
Sample Auto Body 120 Industrial Rd, Springfield USA	Hazardous waste (RCRA)	0.6 mi
Anytown Dry Cleaners 44 Market St, Springfield USA	Hazardous waste (RCRA)	1.1 mi
Springfield Plating Co. 9 Foundry Ln, Springfield USA	Air emissions	1.7 mi

What these programs mean

Hazardous waste (RCRA): Generates/handles hazardous waste under RCRA.

Air emissions: Tracked for air-pollutant emissions.

Currently-active EPA-regulated facilities; a nearby facility is not a determination of risk.
