Natural hazard report

FEMA **flood zone** and **National Risk Index** profile for any US address, with plain-language context for every rating.

1600 Sample Way, Springfield, USA

Flood zone (FEMA NFHL)

Zone	**X**
Area of minimal flood hazard (outside the 0.2% annual chance floodplain).	
Special Flood Hazard Area	**No**
Special Flood Hazard Area (the 1% annual-chance floodplain). Yes means a high-risk zone; No means outside it.	
Base flood elevation	**ft**

Multi-hazard risk (FEMA National Risk Index)

Overall risk	**Relatively Low**
FEMA National Risk Index overall rating for the tract.	
Risk score	**22.4**
Expected annual loss	**Relatively Low**
Expected annual loss from natural hazards, as an NRI rating.	
Social vulnerability	**Relatively Moderate**
Community resilience	**Relatively High**
